

# How PartnerStack safeguards its platform and creates a network of trust

## Challenge:

Self-referral fraud, advanced fraud tactics, and an outdated existing fraud solution.

Trust is a key feature of PartnerStack, and Sift is THE Digital Trust & Safety solution for us."

**Michael Kim, Trust and Platform**

Sift Product

Payment Protection

## RESULTS

Prevented 50,000 fraudulent partners from entering PartnerStack's ecosystem

Secured \$100k in vendor revenue

Over 500 internal vendors protected worldwide
