

How Skillshare keeps its platform free from spam and fraud

Challenge:

Collusion fraud, fake accounts, and spam.

I would've needed another full-time employee by now without Sift. Sift is a real strength — it scales with us, which helps us maximize productivity."

Susannah Page-Katz, Trust and Safety Manager

Sift Product

Content Integrity

RESULTS

8-10 hours of manual review eliminated

Thousands of dollars in fraud losses prevented annually
